

# *The Friday Thing*

Dr. Innes K. MacKenzie  
Physics Department  
University of Guelph

60 Years of Measuring Short Time Intervals:  
from rdf to o-Ps.

This will be a mixture of a bit of history with  
some science and a lot of technology.

Date: Friday, January 19, 2001  
Place: MacNaughton 222  
Time: 12:30 p.m.

**Cookies will be served.**
